EMPLOYERS AND PROFESSIONALS NEEDED TO VIRTUALLY SHARE CAREER EXPERTISE WITH YOUNG PEOPLE THIS SUMMER!

Starting in July, the Commonwealth Corporation will provide virtual Lunch and Learn opportunities to YouthWorks participants across the state of Massachusetts!

► Who we are looking for?

Employers and professionals representing a variety of industries to offer their expertise. Each session will highlight 3- 4 different professionals.

► Employer/Professional Expectations?

Please join and share your story with 14-21-year-old YouthWorks participants. This is a 75-minute commitment of your time. That's right, one hour and 15 minutes is all you need to help make a difference in the life of a young person. Provide them with some guidance, wisdom and inspiration as they explore their own career pathways.

► Lunch & Learn Delivery Schedule:

Virtual sessions will take place on a weekly basis through July and early August.

► Details & Requirements:

This is only a 75-minute commitment and requires minimal preparation!

Volunteers will be asked to:

- Introduce youth to your career and industry by sharing details about your career path and current work
- Offer tips for gaining relevant experience and training in your industry
- Answer participant questions in small breakout groups

Staff will support volunteers by:

- Facilitating the virtual/online session and breakout rooms
- Sharing a list of anticipated youth questions
