

YouthWorks

A State-Funded Commonwealth Corporation Program

YouthWorks helps teens and young adults develop skills and experience needed to find and keep jobs. Participants receive core skills training, practice professional behavior, learn how to work effectively with supervisors, coworkers and customers at worksites, and learn how to take next steps in their education and career pathways.

Every year we serve over 5,000 teens and young adults, ages 14-25, in 40+ communities.

\$80 MILLION+ in funding over the last 5 years
